Ocean Cargo and Stock Throughput Insurance

Huron
Ocean Cargo and Stock
Throughput Insurance

Flexible stock throughput insurance—in minutes.

It's not uncommon for businesses to assemble a patchwork of policies, inadvertently creating gaps in coverage and driving up their annualized insurance costs. Huron Ocean Cargo and Stock Throughput Insurance resolves these challenges, delivering cost-effective, end-to-end protection for goods and merchandise—from raw materials to the delivery of a finished product.

About

What Is It?

- All-risk coverage for goods and merchandise while in transit or at a named storage facility
- Up to \$10M in international conveyance limits and \$5M in domestic
- Up to \$10M in limits for named storage locations, including coverage for catastrophic perils
- Worldwide territory offering
- No minimum premium
- Door-to-door protection from physical loss or damage—including Acts of God, loading damage, flooding, fire, roof collapse and theft
