

Welcome to
Freight Protection 2.0

For Freight Forwarders

Pay-as-you-go, smart
cargo insurance—in 40
seconds or less

90% of shipments moved around the world every day are under or uninsured, representing a massive liability to the customers you serve and a threat to their cash flow.

Give them instant peace of mind—and get back to the business at hand—with Loadsure.

Create a new revenue stream and help your shippers manage their risk when you upsell Loadsure's per-shipment, all-risk smart coverage with automated claims.

With pricing and products dynamically matched to their cargo's unique specifications, you can cut per-shipment coverage costs by as much as 80%.

- Get instant pricing—through Loadsure's standalone portal or a custom API integration
 - Secure all-risk, smart coverage in 40 seconds or less
 - Accelerate claims processing from weeks or months to days—even minutes
 - Get instant digital claims payments
-

Streamline and scale
your business

Complexity, risks, and costs continue to climb. To adapt, freight forwarders are evolving traditional (aka painful) and paper-heavy processes—but conventional insurance hasn't kept up, dragging businesses down. No longer.

Loadsure is—hands-down—the simplest cargo insurance solution on the market. Powered by AI and automation, it enables you to instantly cover domestic and international spot freight, giving you a competitive edge.

Cargo coverage you
can count on

Now, you can better manage customer risk exposure with Loadsure.

Quickly access all-risk, domestic and international cargo insurance products—up to a \$2M limit for single conveyance and a \$100,000 limit for LTL shipments—all for a low, per-shipment fee.

And, should the unexpected happen, Loadsure's white-glove digital claims process enables you to file claims in minutes.

You can rely on:

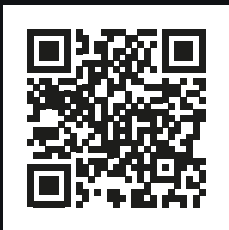

- Door-to-door coverage—including general average, mechanical breakdowns, inside theft, fraudulent pick-up, loading and unloading damage, and Acts of God
- Broadest commodities coverage available—including alcoholic beverages, frozen and chilled produce, over-the-counter pharmaceuticals, fireworks, and more
- Claims settled based on the full invoice value of your customer's cargo—even import duties
- A-rated, "all-risk" insurance for domestic and international freight
